

RONALD A. MURPHY, DMD

General & Cosmetic Dentistry

Monthly Newsletter - April 2016

Meet Our Staff!

Dr. Murphy graduated from SIU Dental School in Alton, IL in 2002. He did his undergraduate at Bradley University graduating in 1998. His practice is located in Batavia, IL where he has been practicing since January of 2005. He resides in Batavia with his wife and three young girls.

During dental school, Dr. Murphy went to Jamaica on a humanitarian trip where the team of doctors and students performed extractions, cleanings and basic restorative procedures. Furthermore, when he graduated from SUI Dental School, he received an award from The Academy of Operative Dentistry.

He is currently a member of American Dental Association, Illinois Dental Society, Fox Valley Dental Society, Chicago Dental Society, and the Academy of General Dentistry. He has received an award for Top Doc organization in 2011.

Dr. Murphy enjoys spending time within the community. He has been a member of Batavia Rotary since 2005 and served as Secretary of the club for 2 years. Furthermore, he is member of Batavia Chamber of Commerce and served on Batavia Access Fireworks Committee.

Dr. Murphy likes to spend his free time traveling to warm places. Furthermore, he enjoys deep-sea fishing. He is still looking for the blue marlin that got away from him on his honeymoon in 2002. In addition, Dr. Murphy enjoys spending time with his family. The three little girls keep him hopping.

Dental Trivia: Test your knowledge with this trivia and see what you learn!

1. 100 years ago, what percentage of adults in North America were toothless?
2. Regular dental cleanings can help prevent what major disease?
3. What fruit is packed with an enzyme known as malic acid, which naturally makes teeth whiter?

SMILE BRIGHT THIS SPRING!

The weather is warming up, flowers are beginning to bloom, and that means those special events are coming up. Spring is the season of Weddings, Graduations, and Family Reunions.

There are many ways to brighten, whiten, and improve your smile. Here are some ways we can give you a perfect smile when all of the cameras come out!

In Office Whitening: No need to take home a whitening kit and use night after night, we offer an in-office whitening that will brighten your smile in hours.

Dental Veneers: Cover teeth that are discolored, stained, chipped, cracked or even misaligned or have gaps between them. Veneers can give you a whiter, even smile and can last up to ten years.

Dental Implants: These replace missing teeth and look and feel so real you may forget you are missing a tooth at all!

Cleaning: Sometimes all our teeth need are a good cleaning to remove surface discoloration and stains.
